## ***A Word from Mayor Hutto...***

It's Christmas time in Wilson County! I don't know about you, but I certainly am excited for all the holiday festivities that are coming up this month. The Dancing Lights of Christmas will be taking place at the Wilson County Fairgrounds now through January 2, 2022, and it is always a sight to see! The City of Lebanon will host their FREE "'Tis the Season" Weekend Extravaganza from December 3rd-5th, and it will offer many different activities for the family. Be sure to check out page 03 of this newsletter for the full list of the "'Tis the Season" programs. Other upcoming community events include Watertown, Lebanon, and Mt. Juliet's Christmas parades. There's much more to enjoy this month, so keep an eye out on my Facebook page for more upcoming holiday events.

While this month is a time to enjoy various holiday activities and gift giving, it is also a time to remember to give back. Have you ever heard the phrase "we rise by lifting others"? The words are painted on one of our murals here in Wilson County. We are blessed to have countless volunteers and organizations who are working tirelessly to help others in need. In the coming months, we'll include a spotlight article on some of the amazing organizations that are working to better our communities. It is because of the many groups and people like these that I am happy to call Wilson County my home. With that said, let's lift one another up this holiday season!

I wish you all a very Merry Christmas and a Happy New Year!

A handwritten signature of Randall Hutto in black ink.

## Rockwood Sustainable Solutions Sponsors 4th Annual Christmas Tree Recycling *submitted*

Rockwood Sustainable Solutions announced today a partnership with Wilson County to launch the "Merry Mulching" initiative, providing Wilson County residents a convenient way to recycle, for free, live Christmas trees. Beginning December 25 - January 10, 2022, residents are invited to participate in "Merry Mulching" by dropping off their live Christmas trees in the designated recycling bin placed at the entrance of the Rockwood property located at 510 Hartman Drive in Lebanon, Tenn. All decorations, including lights, ornaments and tinsel must be removed from the tree prior to being placed in the recycling bin. The bin is accessible 7 days a week, 24 hours a day.

"We are honored to partner with Mayor Hutto and Wilson County to provide our neighbors free live Christmas tree recycling" said Lincoln Young, CEO of Rockwood Sustainable Solutions. "This is our fourth consecutive year to offer this service, and we are amplifying our efforts this year with the launch of the 'Merry Mulching' initiative, encouraging every live tree owner in Wilson County to recycle."

Once processed by Rockwood, the recycled live trees will become landscaping mulch used to beautify, and enrich the soil at, commercial and residential properties across Wilson County. Wilson Farmer's Coop is the local retailer of Rockwood's range of mulch offerings. In addition to the environmental benefits of recycling live Christmas trees, doing so is much safer than breaking down and burning a live tree in a residential fireplace. Rockwood will also make a monetary donation to the Wilson County FCA for each tree recycled during the "Merry Mulching" initiative.

## Remastered "Underground Galaxy" Mural Unveiled

The 'Underground Galaxy' mural on the Cedar City Trail was recently unveiled after being remastered. This mural was presented, in part, by a grant from the Tennessee Arts Commission and matching funds from the Wilson County Convention and Visitors Bureau. Originally painted in 2016 by local high school students, the concept was created by Fiona Hayward and Eliza Felos. This became one of the very first murals to Wilson County and was enjoyed by those passing by on the Cedar City Trail. After being vandalized this past October, the Wilson County CVB and the City of Lebanon Parks and Recreation department partnered together to bring the original artists back, who recreated the original mural with a new updated design. Next time you are at the park, stop by to see it! The remastered mural is located at 555 N Castle Heights, Lebanon, TN.
